The following departments were present for a total of 14 departments.
41, 45, 46, 48, 55, 59, 64, 71, 73, 76, EM, FMO, Forestry, 91.

Communications—Nextel will have to reband current radios. See Rob for inventory list of stations radios. This list will be necessary for the conversions.

Benevolent Fund—No one preset.

Training—Art will cover in FMO report.

Muster—46 looking at hosting the muster this year and working on same.

FMO—June 8 is safety and training officer meeting. Having on same nights due to so many covering both positions. Art needs the water points ASAP with a map of them in the district. This is holding up the water point zone requirements for developments. Rosters are needed from 43,45,72,75 and anyone else who has had changes. Budgets are looking good so far. NIMS 300& 400 working on class in Sept. Mike Wilson and State EM helping set up instructors.

Up to NIMS 200 we are at 100%. All FF's need to have up to 200 level, supervisors need 300 & 400. Chiefs need 400/800 classes. Anyone that needs classes get with Art.

EM—Frank advised the NIMS compliant document is going well. Everything is looking good toward compliance.

Forestry—May 30 David Poole comes on as the new 309.

Raymond Coltrain addresses the floor as candidate for county commissioner.

Motion by Mike Zimmerman to adjourn, 2nd by David Morris.

410 wanted to thank all that helped with the water shuttle on the structure fire.

Frank Thompson stated there will be a public hearing on budgets for the county budgets. 1st mon in June will be the official public hearing. Will also check to see if assoc needs to be present for the hearings for support.

Next Chiefs meeting will be at sta. 72.
Next Assoc meeting will be at sta. 73.

Meeting adjourned at 2017hrs.

Respectively submitted,
Michael McDaniel
